ENVIROSAFE HIRES JONATHAN DULL

Greensboro, NC – JULY 24, 2023, EnviroSafe Inc. is pleased to announce that Mr. Jonathan Dull joined the company as the *Director of Projects and Business Development*.

Jonathan will be responsible for coordination of all projects working with the staff within the Risk Management Division as well as the Crisis Management Division. Additionally, he will be responsible for business development and client management.

Mr. Dull comes with over 9 years of sales and marketing leadership, as well as being a director of operations for a company designing and producing specialized equipment for military entities here in the USA as well as NATO countries. Jonathan was responsible for Sales and Marketing for several years at EnviroSafe. We are thrilled to have Jonathan return to EnviroSafe as his extensive knowledge and experience will greatly benefit our clients and contribute to the success of EnviroSafe.

About EnviroSafe inc.

Founded in 1996, EnviroSafe is a leading provider of specialized Risk and Crisis Management services. EnviroSafe has two divisions with Risk Management focused on industrial safety and specialized training and our Crisis Management focused on Homeland Security related exercises and planning, as well as healthcare related services for a variety of entities across the USA.
